corrections infrastructures that are enhanced under LB 46. The total expenditures are \$193,229 for fiscal year '03-04 and \$172,656 for fiscal year '04-05. The total revenue is \$3,136,447 for fiscal year '03-04 and \$5,015,759 for fiscal year '04-05. With that, I would ask the advancement of LB 46A. Thank you.

SENATOR CUDABACK: Thank you, Senator Brashear. You've heard the opening on LB 46A. Now open for discussion on that motion. Senator Wehrbein. Senator Wehrbein, did you wish to speak to the A bill?

SENATOR WEHRBEIN: Did you say me, Mr. Speaker?

SENATOR CUDABACK: I did.

SENATOR WEHRBEIN: Sorry. I just want to make a comment, Mr. President, members of the body, about this. Senator Brashear has outlined the savings from this. And I just want to throw a word of caution in. It varies somewhat from the savings that the Governor had anticipated in the bill as it was introduced. And even though I'm not going to do much at this point, Senator Brashear, I'm going to reserve the right to make some calculations, if you may say it mildly, before we get done with our budget. And that's really all I wanted to interject into this. I've got to understand a little bit better the differences that are with the bill that was introduced versus what you have proposed. Generally, I support it. Thank you.

SENATOR CUDABACK: Thank you, Senator Wehrbein. Any further discussion on the advancement of LB 46A? Seeing none, Senator Brashear, you're recognized to close if you care to. He waives that opportunity to close. The question before the body is advancement of LB 46A to E & R Initial. All in favor of the motion vote aye, opposed nay. We're voting on the advancement of LB 46A to E & R Initial. Have you all voted who care to? We're voting on the advancement of LB 46A. Record please, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 46A.
